WHAT YOU WILL RECEIVE: 25 Insulas represent 0.0025% of Insula's total market capitalization.

If you are interested into becoming a more consistent token holder and have a chance to have an impact (price maker) on Insula Tokens prices instead of remaining a small holder and hence a mere price taker, we invite you to take part in our Initial Coin Offering and to buy up to an infinity of Insula Tokens until 31st October.
